

## PC Class FIC

SERVICE:	Patrol/Military	ENGINES:	MAN V12 – 1200mhp @ 2300rpm
LOCATION:	Malaysia	BUILDER:	Gading Marine Engineering (M) Sdn. Bhd.
LENGTH:	17.60 metres (LOA)	DESIGNER:	LOMOcean Design
BEAM:	4.60 metres	OPERATOR:	Marine Operations Force, RMP, Malaysia
CONSTRUCTION:	Aluminium	HJ DISTRIBUTOR:	Semangat Lestari (M) Sdn Bhd, Malaysia
DISPLACEMENT:	21 tonnes		
SPEED:	45 knots @ max displacement		
WATERJETS:	Twin HJ403		

In total two vessels were built by Gading Marine for the Malaysian Marine Police. Intended as a high speed interceptor craft, the boats are capable of a sprint speed in excess of 45 knots, fitted with twin Hamilton waterjet HJ403 coupled to twin 1200hp V8 MAN diesels engines. Driven by Hamilton waterjets, the boats are reported to have exceptionally good handling characteristics, with high levels of manoeuvrability and good rough weather capabilities.
